

KLARIZZE ANNE MARTIN PUZON, PhD

*Economics Researcher, UNU-WIDER, United Nations
Female, 33 years old*

Website: <https://sites.google.com/site/klarizzeamp/>

E-mail Address: klarizzeampuzon@*AT*gmail.com

Research Interests: Development Economics, Environmental and Natural Resource Economics, Behavioral Sciences

Tools: Experiments, Advanced Survey Methodology, Game Theory, Data Analysis

Summary:

- *Applied economist* with extensive experience in both academic & non-academic settings, e.g. international development organizations.
 - Proven background in efficient project management and in implementing successful field operations.
 - Strong skills in data collection (sampling and design) in rural settings and fragile contexts, esp. large-scale household surveys & field experiments.
 - Published in international journals, e.g. European Economic Review.
 - Has done capacity building and fieldwork in developing countries in Southeast Asia & Sub-Saharan Africa.
 - Substantial work experience in multi-cultural settings (i.e. Europe and Asia) with interdisciplinary teams.
 - Thorough understanding of the implications of culture and psychology on economic behavior in the context of development and environment issues.
 - Excellent grasp of mixed methods research, both quantitative and qualitative techniques.
-

Current affiliation

- **Researcher.** United Nations Univ-World Institute for Development Economics Research (UNU-WIDER), United Nations, Finland. October 2020-present.
- **External Researcher.** Center for Environmental and Resource Economics (CERE), Umea University and Swedish University of Agricultural Sciences, Sweden. October 2016-present.

Post-PhD positions

- **Junior Professor (term-limited, non-tenure track).** Osaka University, Japan. April 2018-October 2020.
 - **Associate Professor in Economics.** April 2019-October 2020. *Awarded promotion after 1 year as faculty member.*
 - **Assistant Professor in Economics.** April 2018-March 2019.
- **Research Fellow.** Browaldh Fellowship Awardee. Center for Environmental and Resource Economics, Swedish University of Agricultural Sciences, Sweden. October

2016-March 2018.

- **Visiting Professor.** University of the Philippines School of Economics. Diliman, Quezon City, Philippines. August 2017-August 2018.
- **Visiting Postdoctoral Researcher.** Department of Applied Economics, University of Vigo, Spain. May-July 2016.
- **Research Assistant.** Aix-Marseille School of Economics, France. November 2015-March 2016.

Education

- **PhD in Economics.** *Summa cum laude* (highest distinction). **Faculty of Economics, University of Montpellier, France.**
Specialization: Political Economy of Development, Environmental and Natural Resource Economics, Behavioral Economics.
Thesis: Essays in applied economics: Rent-seeking, conflict, and the paradox of the plenty.
Defense date: 28th October 2015.
Award: *University research fellowship*, funded by the French government (November 2011-2015).
Internal supervisor: Marc WILLINGER
External PhD Examining Committee:
Frederick VAN DER PLOEG (University of Oxford, CESIFO, VU Amsterdam)
Enrique FATAS (University of East Anglia)
Daan VAN SOEST (Tilburg University)
Marie-Claire VILLEVAL (CNRS, GATE-LSE, Innsbruck, IZA)
- **Research Master in Economics.** *Cum laude honors* (high distinction). **Toulouse School of Economics (TSE), University of Toulouse, France.**
Specialization: Environmental and Natural Resource Economics (ERNEA).
Thesis: Location decision of foreign direct investment: The role of environmental policy and natural resources. September 2009- July 2011.
Award: *Eiffel Excellence Scholarship*, Top 5 student-recipient nominated by Toulouse School of Economics & awarded by the French government.
Advisors: Francesco RICCI (University of Montpellier) & Isabelle PECHOUX (Toulouse School of Economics)
- **Bachelor of Science in Economics. University of the Philippines School of Economics-Diliman.** *Magna cum laude honors: Top 2 of Batch.*
Thesis: On the Socioeconomic Determinants of the Environmental Kuznets curve in Southeast Asia. June 2005- October 2008 (graduated 1 semester in advance).
Advisor: Ruperto ALONZO. Research Assistant to: Cayetano PADERANGA, Jr. (Institute for Development and Economic Analysis; Philippine NEDA Minister).

- *Environmental quality, economic development, and political institutions in East Asia.* ©K. PUZON with R. Alonzo, **DLSU Business and Economics Review**, 2013, 22(2), 64-81.
- *Carbon emissions and economic development in East Asia: A macro-econometric inquiry.* **Southeast Asian Journal of Economics** (formerly Chulalongkorn Journal of Economics), 2012, 24 (1), 1-10.
- *Deforestation, economic prosperity, and political institutions in East Asia and the Pacific,* ©K. PUZON, **International Journal of Green Economics**, 2011, 5 (3), 248-258.

Working papers

Development Economics

- *Crowding out effects of financial knowledge and attitude on risk preferences: Evidence*

from a least developed African country. ©K. PUZON with R. Tacneng & T. Barry.

WIDER Working Paper Series, 2021, wp-2021-58, World Institute for Development Economic Research (UNU-WIDER). Revise & Resubmit: **Economic Modelling** (Elsevier).

- *Social antagonism, identity-driven beliefs, and loss avoidance: Evidence from Guinea.* With R. Tacneng. Available upon request. Method: Field experiment. To be submitted: *Journal of Economic Psychology* (Elsevier).

Survey and Experimental Methods

- *Quantile regression with interval-censored data in questionnaire-based studies.* ©K. PUZON with A. Angelov, et al (Umea University, Sweden). 2021. Method: Household surveys. Available upon request. Revise & Resubmit: **Computational Statistics** (Springer).
- *Consolidating behavioural economics and rational choice theory: Insights from inequality research.* ©K. PUZON with R Gisselquist. *WIDER Working Paper Series*, 2021, wp-2021-76, World Institute for Development Economic Research (UNU-WIDER). Under Review: *International Social Science Journal* (Wiley).

Behavioral Environmental Economics

- *Veto power and coalition formation in the commons: an experiment.* ©K. PUZON with M. Willinger. *CERE Working Papers*, 2021, 9, CERE - the Center for Environmental and Resource Economics. Link: https://ideas.repec.org/p/hhs/slucer/2021_009.html
- *Electoral cycles and in-kind transfers for ecosystem services: a survey experiment in rural Mindoro,* ©K. PUZON with P. Dingkuhn (IDRI & Erasmus University Rotterdam). *CERE Working Papers*, 2021, 10, CERE - the Center for Environmental and Resource Economics. Invited Book Chapter: *Green Economics Institute*, UK.
- *Effects of framing on the concern for reforestation: An experiment in rural Philippines.* ©K. PUZON with I. Molina. Available upon request. Method: Ethnographic fieldwork & behavioral experiment. Accepted with Minor Revision: **Ecosystems & Development** (*University of the Philippines peer-reviewed journal*).
- *Time vs. money metrics for contingent valuation surveys: Theory and application to rural data.* ©K. PUZON with B. Kristrom (CERE, Sweden). Available upon request. Method: Household surveys. To be submitted: *Ecological Economics* (Elsevier).

Grants

- *Japan Society for the Promotion of Science (JSPS) Start-up Grant.* Government of Japan. Sole Investigator: Klarizze Puzon. Award: 1.8 million Yen. Topic: Third-party intervention in resource conflicts. October 2018-March 2020.
- *Marianne and Marcus Wallenberg Foundation Grant.* Sweden. In collaboration with

Swedish and Philippine-based counterparts. Award: 4 500 000 Swedish Krona. Topic: New ways to elicit quantitative information in surveys. September 2018 to September 2020.

- **Joint Research Center in Behavioral Economics Collaborative Grant.** Institute of Social and Economic Research (ISER), Osaka University, Japan. Principal Investigator: Klarizze Puzon (in collaboration with the Universite de Limoges, France). Award: 320,000 Yen. Topic: Intergenerational ethnic conflict in Guinea-Conakry. April 2018-March 2019.

Conferences and seminar presentations

- **2021:** Umea School of Business & Economics and Center for Environmental & Resource Economics Seminar (Umea University, SWEDEN, main speaker), 2021 Centre for the Study of African Economies Conference (Virtual, Oxford University, non-presenting), 2nd World Inequality Conference (Paris School of Economics, non-presenting), EQUAL Workshop on the Impact of Inequality (UNU-WIDER, FINLAND, speaker), Philippine Center for Economic Development (PCED)-University of the Philippines School of Economics Seminar (Virtual, main speaker), UNU-WIDER Annual Development Conference (WIDER, Finland, session organizer)
- **2020:** Econometric Society World Congress (Virtual, Bocconi University, non-presenting participant), Contests: Theory and Evidence (Virtual Conference, University of East Anglia, non-presenting participant)
- **2019:** Asia Pacific Economic Science Association Conference (New York University-Abu Dhabi, UAE), 18th International Conference on Social Dilemmas (University of Arizona, USA), Biennial International Association for the Study of the Commons Conference (Pontifical Catholic University of Peru, PERU), Singapore Economic Review Conference (Nanyang Technological University, SINGAPORE), Department of Economics Seminar (Chuo University, JAPAN), College of Economics and Management Seminar (University of the Philippines-Los Banos, PHILIPPINES)
- **2018:** Fifth WINIR (World Interdisciplinary Network for Institutional Research) Conference Institutions and the Future of Global Capitalism (Chinese University of Hong Kong, Faculty of Law, HONG KONG), Department of Economics Seminar (Ritsumeikan University, JAPAN), Osaka School of International Public Policy Brownbag Seminar (Osaka University, JAPAN), 6th Chulalongkorn-Osaka University Workshop (Osaka University, JAPAN)
- **2017:** Asia Pacific Economic Science Association Conference (National Taiwan University, TAIWAN), International Meeting on Experimental and Behavioral Social Sciences (Universitat de Barcelona, SPAIN), Economics Department Seminar (University of Verona, ITALY), 12th Conference of the European Society for Ecological Economics (Corvinus University of Budapest, HUNGARY), School of Economics Seminar (University of the Philippines-Diliman, PHILIPPINES), Institute of Social and Economic Research Seminar Series (ISER, Osaka University, JAPAN)
- **2016:** Atlantic Workshop on Energy and Environmental Economics (University of Vigo, SPAIN), ECOBAS Seminar (University of Vigo, Spain), Center for Environmental and Resource Economics (CERE) Seminar (Umea University and Swedish University of Agricultural Sciences, SWEDEN)
- **2015:** Eighth Annual Conference of the Center for Experimental Social Science (New York University, USA), Annual Conference of the French Economic Association (University of Rennes, FRANCE), Symposium of the Spanish Economic Association (University of

Girona, SPAIN), Faculty of Economics and Business Seminar (University of Groningen, NETHERLANDS), Max Planck Institute for Research on Collective Goods Seminar (Bonn University, GERMANY), ZEW Invited Seminar (ZEW Mannheim, GERMANY), MPI Tax Day (Max Planck Institute for Public Finance, GERMANY)

- **2014:** Third International Conference: Environment and Natural Resources Management in Developing and Transition Economies (University of Auvergne, FRANCE), CMCC-FEEM Seminar (Fondazione Eni Enrico Mattei, ITALY), World Congress on Environmental and Resource Economics (ITU, TURKEY), Symposium: Exploring the Fundamental Link Between Ecology and Economics (London School of Economics, UNITED KINGDOM)
- **2012-2013:** Russian Summer School in Institutional Analysis (New School of Economics, RUSSIA), Economic Science Association World Congress (ETH Zurich, SWITZERLAND), International Conference of the French Association of Experimental Economics (University of Lyon, FRANCE), Z-tree Programming Crash Course (University of Bologna, ITALY)
- **Research visits:** University of Limoges, France (Early 2020, 1 month), University of the Philippines (2017, 1 month), University of Vigo, Spain (2016, 2 months)

Teaching and supervision

- **Natural Resources and Development.** 30 hours, Osaka University, Summer 2020. Online lectures only.
- **Environmental Economics.** 30 hours, Osaka University, Spring 2020. Online lectures only.
- **Special Topics in Development Economics.** 30 hours, Osaka University, Autumn 2018 to Winter 2019.
- **Behavioral Agri-Environmental Economics.** 30 hours, Osaka University, Summer 2018.
- **Experimental Methods in Economics and Related Social Sciences.** 60 hours, Swedish University of Agricultural Sciences, Spring 2017.
- **Guest Graduate-level Lecture: Political Economy of Natural Resources.** 6 hours, University of the Philippines-Diliman, Winter 2017.
- **Guest Graduate-level Lecture: Experimental Economics.** 9 hours, University of the Philippines-Diliman, Winter 2017.
- **Supervision:**
 - *Supervisor for PhD student internship.* UNU-WIDER, United Nations. Topic: Fraud in Public Procurement. 2021.
 - *Capacity building for Vietnam and Mozambique partners.* UNU-WIDER, United Nations. Topic: Inequality. 2020-2021.
 - *Project supervisor.* Large team of local research assistants & enumerators for fieldwork in rural Philippines. Funded by ISER, Osaka University in collaboration with the Center for Environmental and Resource Economics-Sweden. Topic: Environmental Valuation. 2018-2020.
 - *PhD thesis co-advisor.* Department of Forest Economics, Swedish University of Agricultural Sciences. Topic: Natural Disasters. 2016-2018.

Administration

- **UNU-WIDER, United Nations: Gender Focal Point--** Advisor for gender issues &

- Liaison who attends UN systemwide meetings on Equality and Diversity Programs
- **ISER, Osaka University:** Seminar Committee, Moriguchi Prize Committee for Best Japanese PhD Paper, Documentation Committee

Professional development

- *New Models of Business in Society*, a business ethics course by the University of Virginia. Spring 2020.
- *Leadership through Social Influence*, an organizational leadership course by Northwestern University. Spring 2020.
- *Evidence and Data Collection for Problem Solving*, a career advancement course by the University of Leeds and Institute of Coding. Spring 2020.

Others

- **Data Analysis and Computer Skills:** *STATA* (Non-parametric and Parametric Econometrics), *R & R Studio* (Machine Learning: Decision Trees, Random Forests, Clustering), *MS Office*, *Z-Tree* (Programming for Laboratory Experiments), *PsyToolKit* (A/B Testing & Surveys)
- **Languages:** English (fluent), Filipino (native), French (basic), Spanish (basic)
- **Professional affiliation:** Economic Science Association, Econometric Society, Honor Society of Phi Kappa Phi
