

Queries and responses on the request for research proposals

Enterprise development for job creation, Public revenue mobilization, and Structural transformation and inequality

Q.1 Should the proposals be focused solely on South Africa, or can they be focused on other countries in the Global South?

A.1 Proposals should be focused on South Africa.

Q.2 Should the proposals be strictly based on the tax administrative data?

A.2 Proposals may be based on administrative tax data, but they do not have to do so. For example, macro modelling of revenues can be considered.

Q.3 Is there any data available for 2019/2020 by the time that the proposals are selected?

A.3 Data for the tax year 2019/2020 will be available.

Q.4 For the IRP5 data, is the location data for employers and the individuals available on main place level or postal code level?

A.4 For the IRP5 data, location data is available for branches and individuals at main place and postal code levels.
