## EMPLOYEE QUESTIONNAIRE

Instructions: Interview up to 7 workers (or as many available). If more than 7 workers, draw a sample. List names of the workers for future reference. Interview (if possible) workers from different categories:

1. Manager
2. Professional Worker (Requires College/University Degree)
3. Office Worker
4. Sales Worker
5. Service Worker
6. Production Worker

Make sure that you interview at least **one manager** and at least **two production workers**. Only interview workers who work for this enterprise more than one year.

<p><b>Note:</b> On-the-job training refers to training received while at the job during 'normal' working hours, i.e. formal in-house training that has an identifiable start and end. Off-the-job training refers to training received outside the formal workplace (can for example take place at a vocational school, a SME association or similar). Informal training is training received by co-workers/supervisor whilst undertaking the primary work task (for example learning from observing others performing a task, sharing of easier ways to do the work, and constructive work criticism from supervisors).</p> <p><b>Code 11):</b> 0=No, 1=yes after on-the-job training, 2=yes after off-the-job training, 3=yes after informal training, 4=yes, I have experienced that my wage has increased after more than one of the stated training types.</p>
